

Air Ticketing

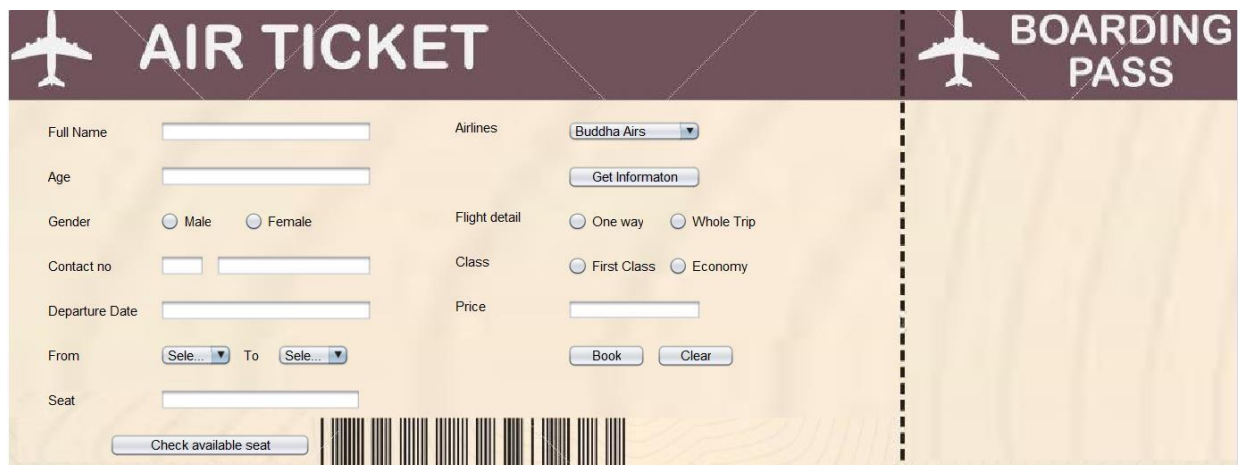

Welcome To Help Section

At first all the users are required to fill up the login form with proper user name and password. The password must be 6 to 8 characters long. After the login page the form will direct you to the ticket section where the user can fill up the form to book the ticket.

The screenshot shows a dark-themed login interface. At the top right is a close button 'X'. The main heading is 'WELCOME TO UDYO Air Ticketing' in a stylized font. Below this is a 'Login Form' section with two input fields for 'Username' and 'Password'. A 'Show Password' checkbox is located below the password field. A green 'Login' button is at the bottom of the form.

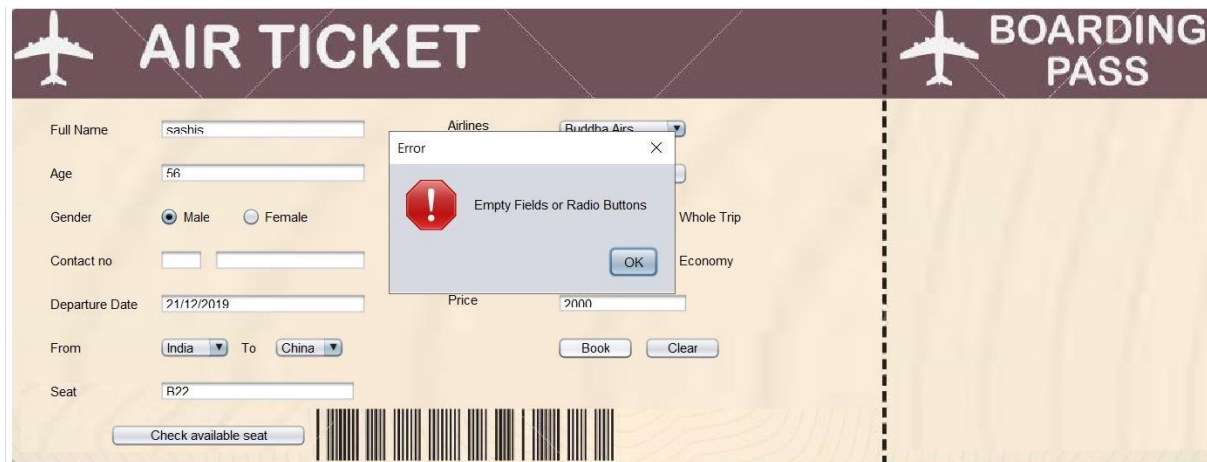

To book ticket for airlines please fill all the given fields. All the fields are mandatory.

The screenshot displays a form for booking an air ticket and generating a boarding pass. The form is divided into two main sections: 'AIR TICKET' on the left and 'BOARDING PASS' on the right. The 'AIR TICKET' section contains fields for 'Full Name', 'Age', 'Gender' (Male/Female), 'Contact no', 'Departure Date', 'From' (with a dropdown), 'To' (with a dropdown), 'Seat', 'Airlines' (with a dropdown), 'Flight detail' (One way/Whole Trip), 'Class' (First Class/Economy), and 'Price'. There are buttons for 'Get Information', 'Book', and 'Clear'. A 'Check available seat' button is at the bottom left. A barcode is visible at the bottom center. The 'BOARDING PASS' section is currently blank.

The given picture above are the fields to be filled by the customer. All the information of customers are very important so we request you to fill them correctly.

Failure to fill all the fields incorrectly may warn you and you can change the data.

The image shows a web form for booking an air ticket. The form is titled "AIR TICKET" and "BOARDING PASS". It contains several input fields: Full Name (sashis), Age (56), Gender (Male selected), Contact no. (empty), Departure Date (21/12/2019), From (India) To (China), and Seat (R22). There are also dropdown menus for Airlines (Buddha Air) and Price (2000). A "Check available seat" button is at the bottom left. An error message box is displayed in the center, stating "Error" and "Empty Fields or Radio Buttons". The error box has a red octagonal icon with a white exclamation mark and an "OK" button. The form also includes a "Book" button and a "Clear" button. A barcode is visible at the bottom of the form.

Customers can get information of the airlines by pressing the 'Get Information' button in the air ticket section. The customers are requested to feel free to check the available seats and book the desired seats as per the availability. Press the 'Book' button to finalize your booking.
